Digital Photography

Choose a competitive event that is being conducted this morning, and explain how that event is conducted using no more than six (6) images. You must edit each image, using a different method from the following list for each one:

1. Crop to remove distracting background
2. Enhance color using color balance
3. Filter to produce an image that looks like it was hand painted
4. Convert color image to black and white
5. Sharpen Image
6. Photographer's Choice

Show this permission slip to coordinators and judges

to be able to enter closed competitions.

_____ is entered in the Digital Photography

Contest and has permission to enter a closed event for the purpose of documenting the event with a digital camera. They are not to speak to any contestant or in any way disturb the event. If judges or coordinators feel they are jeopardizing the integrity of the event, they may ask them to leave immediately.

Sincerely,

Mrs. Alta McDaniel, State Advisor
