

DESKTOP PUBLISHING FINAL PROBLEM

You have been asked to design a yellow pages ad for Jan's Restaurant. She wants the following information included in the ad:

- name: Jan's Restaurant
- real home cooking
- known for her great blackberry cobbler
- 2 locations: Winfield Road in Winfield and Lewis St. in Teays Valley
- different specials every night
- open 6:00 a.m to 9:00 p.m. for breakfast, lunch and dinner
- phone: 586-4321

Your task is to design a 4" x 5" advertisement for Jan. The work must be designed using only 1 color ink, to keep down reproduction costs.
